Oh Lord,
Let Hope burst open in me,
releasing Joy from my
heart. Fill me with Patience,
instantly springing forth
words in Prayer

Jesus,
We need you now.
Our sadness overwhelms us,
and we need you now.
Embrace us with hope.
Turn our mourning into joy.
Fill us with courage.
Set our feet on the path of
gladness. We need you now.

I trust in You, Oh Lord,
You are my God.
My times are in Your hand.
Rescue me from my
sorrow. Make Your face
shine on me and save me
in Your steadfast love.

4
Oh God,
I cry out to You.
Hear me. Help me.
Oh God, I reach up to You.
Hold me. Heal me.

5
Let my voice be heard!
Let my cry rise to Your ears!
Faithful Father in Heaven,
Let my sorrow be removed.
Wipe away my tears.

6
God of Creation,
With each new sunrise let
joy be found. When the day
ends and the sun sets let
happiness be in my heart.
Forever create reasons to
rejoice in life.

Holy Father in Heaven,
We trust You with our hearts,
Our fractured hearts. Weak and
weeping we lay the burden of
sadness before Your throne
We trust You with our faith. The
belief in healing and harmony.
Weary and tearful we trust in
the promise of joy
unspeakable and full of Your
glory.

The mystery of Your will is hidden
from me. The sadness I feel has
blinded my way. Hold my hand
and lead me to Your side. Open
my eyes to see into Your loving
face. The revelation of Your will is
waiting for me. The joy of Your
presence will guide my path. Your
embrace will bring hope and
healing. Open my heart to share
Your love and grace .

In the midst of my tears, You are
my comfort. When the sorrow
grows too heavy, You come to my
rescue In my deep darkness, You
are the shining light When the grief
overwhelms my thoughts, You
remind me of Your promises to
never leave me, to remain at my
side, to always be near You send
hope into my life, You bring love
and understanding You gather
beautiful lives around me who
shine. Your love into my heart. And I
thank You.

Gracious God in Heaven,
When our hearts are broken, You
send Your Spirit to cover our
sorrows. When our minds can't
understand, You send Your Truth
with words of comfort. When our
days ahead look dark and
uncertain, You shine Your Light
and brighten our way.
Thank You for the gift of comfort.
Thank You for the gift of healing.
Amen.

Lord, I sit in silence and look up,
searching for answers in the
morning sky. You give me
sunshine, brilliantly bright as if to
say, "Today, I am bringing you new
strength." I sigh and I smile,
realizing I have been holding my
breath and bowing my head.
"Today, I bring you joy and
gladness in the light of My glorious
creation." Just enough for today,
Lord, thank You.

Jesus, thank you for never
leaving me alone. Thank you
for covering my grief with your
love and compassion in the
depth of my tears. Thank you
for being the deliverer of my
grieving soul. Thank you that I
can walk in the light of God's
glory and grace for always.

In your name, I ask for healing and restoration to come to my sisters who are reading these prayers. Be the ever-increasing light by the power of your indescribable love for her as she steps into each day as each new day comes. Bring joy into her heart and be forever faithful with your grace-filled presence. Thank you for the stories of God's glory that will be revealed through their lives. You are amazing.

Amen and Amen.

We may not know your personal story, but we know the experience of loss and sorrow, and grief.

You are not alone, you are loved, of great value, cared about, and prayed for by the Twelve12 Ministries team.

We are here for you.

To the only wise God be glory forevermore through Jesus Christ!

Amen.
